Bismillahirrahmanirrahim

Assalamualaikum Warahmatullahi Wabarakatuh dan Salam Sejahtera.

Alhamdulillah, thanks to Allah S.W.T for His love and blessings, we are able to be here today for the opening ceremony of the International Conference on Social Sciences, Informatics and Islamic Studies, also known as ICoSSiIS 2023 which is for the first time, being organized by UiTM Negeri Sembilan Branch, Rembau Campus.

ICoSSiIS 2023 is the first international conference organized in Rembau Campus by the Faculty of Communication and Media Studies, College of Computing, Informatics and Mathematics, Faculty of Business and Management, Academy of Language Studies and Academy of Contemporary Islamic Studies located here. On behalf of ICoSSiIS 2023, UiTM Negeri Sembilan Branch and the entire organizing committee, I extend a warm welcome to each and every one of you.

I also would like to express my deepest appreciation to Global University, Lebanon, Universitas Hasyim Asy'ari, Indonesia, and Universitas Padjajaran, Indonesia, for their willingness to collaborate with UiTM Negeri Sembilan Branch, Rembau Campus for this international conference.

It is with great pleasure and excitement that I bring to you this virtual conference with the theme, of "Enhancing Knowledge, Exploring Possibilities". Despite the physical distance that may separate us, the power of technology has brought us together in this digital realm, transcending borders, and time zones to create a truly global gathering of brilliant minds.

In this era of constant change and transformation, the need to continuously enhance our knowledge becomes vital. The theme of this conference resonates deeply with our shared commitment to pushing the boundaries of what we know and exploring into the uncharted territories of what is possible. It serves as a reminder that our pursuit of knowledge is an endless quest, and by embracing it, we open doors to endless possibilities.

ICoSSiS 2023 has gathered some of the brightest minds, thought leaders, and experts from various fields, all eager to share their wisdom, experiences, and groundbreaking ideas. It becomes a convergence of diverse perspectives, cultures, and expertise, creating a vibrant tapestry of knowledge that will inspire and empower each one of us here.

Throughout the sequence of this conference, we will look at a broad range of topics in different areas as well as find solutions for some of today's pressing problems or challenges. From the areas of economics and finance, business and management, education, language, informatics and analytics, Islamic studies, and media and communication, every session will open new pathways for exploration and spark the flames of curiosity within us.

As we embark on this intellectual adventure, let us remember that the power to enhance knowledge and explore possibilities lies within each one of us. Let us approach this conference with an open mind, a willingness to challenge assumptions, and a hunger for growth. Together, we can break through barriers, surpass limitations, and shape a future that is brighter and more promising for all.

I extend my deepest gratitude to our organizing committee and collaborative partners for their tireless efforts in making ICoSSiS 2023 a reality. Their commitment to fostering intellectual growth, knowledge sharing, and promoting the exchange of ideas is commendable, and we are indebted to their dedication. Significantly, organizing this conference has helped us strengthen the relationships among us and it is indeed such a blessing. May it be a platform of inspiration, connections, and a steppingstone in your professional growth.

Thank you for joining us at this virtual conference.

Wabillahitaufik      Walhidayah,      Wassalamualaikum      warahmatullahi  
wabarakatuh.

**PROFESSOR DR. YAMIN BIN YASIN**  
RECTOR, UiTM CAWANGAN NEGERI SEMBILAN

Bismillahirrahmanirrahim

Assalamualaikum Warahmatullahi Wabarakatuh dan Salam Sejahtera.

Alhamdulillah, thanks to Allah S.W.T for His love and blessings, we are able to gather here today for our very first conference from UiTM Negeri Sembilan Branch, Rembau Campus for the International Conference on Social Sciences, Informatics and Islamic Studies (ICOSSIIS) 2023.

### Abstract

The goal of this workshop is to share some basic concepts necessary to understand quantitative data analysis. We will start with a brief discussion of the strengths and blind spots of quantitative research; then, we will touch upon descriptive vs inferential statistics and different types of inferential statistics before moving to some examples of quantitative data analysis using SPSS, including measures of central tendency and measures of dispersion, followed by some comparison and correlation tests.

### About the speaker:

Vahid Nimehchisalem holds a PhD in TESL. He's been involved in teaching English as a second and foreign language since 1996. He was a postdoctoral fellow at the Faculty of Educational Studies, Universiti Putra Malaysia (UPM) in 2012; later he joined Universiti Malaya as a research fellow. He's currently Associate Professor at the Faculty of Modern Languages and Communication, UPM, and Adjunct Senior Lecturer at Asia-e University, Malaysia. English language learning-teaching materials evaluation and language assessment are his main areas of research interest. He's chief editor of the International Journal of Education and Literacy Studies (IJELS), managing editor of the Journal of Language and Communication (JLC), and board member of a number of other journals in the area.
